

Notification Waiver Determination

Partners Group – Aroma-Zone

Acquisition	Partners Group AG proposes to indirectly acquire joint control over Legendre Holding 91 SAS (Legendre) and Aroma Zone Topco SAS (Aroma-Zone), as described in the transaction documents provided as part of the application (the Acquisition). The Acquisition will be implemented by funds advised and/or managed by Partners Group AG (Partners Group) through Elixis BidCo, an investment vehicle. Aroma-Zone is currently solely controlled by Eurazeo S.E. (Eurazeo). Eurazeo will reinvest indirectly and retain indirectly a co-controlling stake in Aroma-Zone through Elixis BidCo. Elixis BidCo applied for a notification waiver in respect of the Acquisition.
Determination	The Australian Competition and Consumer Commission has determined under section 51ABV(1)(a) of the <i>Competition and Consumer Act 2010</i> (Cth) that the Acquisition is not required to be notified.
Date of determination	24 September 2026

Parties to the Acquisition	The acquirer, Partners Group, is registered and headquartered in Switzerland and is a wholly owned subsidiary of Partners Group Holding AG. Partners Group Holding AG is a stock corporation incorporated under Swiss law and listed on the SIX Swiss Exchange. Partners Group is a global investment management firm with USD 186 billion in assets under management across private equity, private infrastructure, debt, royalties and real estate. The target, Aroma-Zone, is a French retailer of natural cosmetics, essential oils, supplements, aromatherapy products and wellness solutions, selling directly to customers through its online platform and retail stores. Legendre is a holding company. Eurazeo is a listed investment company headquartered in Paris, France, with a portfolio of several billions of euros in diversified assets. Its purpose is to detect, accelerate and enhance the potential transformation of companies of all sizes in which they invest. It has three main activities: private equity, private debt and real assets.
Explanation for determination	In making this notification waiver determination, the Australian Competition and Consumer Commission (the ACCC) has considered the information provided with the notification waiver application and had regard to the factors in section 51ABV(2)(b) of the <i>Competition and Consumer Act 2010</i> (Cth) (the Act).

	Based on the information provided in the application, the ACCC considers that the Acquisition is unlikely to give rise to any material lessening of competition, given there is no horizontal overlap or vertical relationship between the acquirer (or its connected entities) and Aroma-Zone in Australia. In these circumstances, the ACCC does not consider it necessary to reach a concluded view on the likelihood of the notification thresholds being met. Given that material competition concerns are unlikely to arise, the ACCC has determined that the Acquisition is not required to be notified. The ACCC considers that the determination is consistent with the object of the Act and the interests of consumers in promoting competition. For more information about the ACCC's approach to considering notification waiver applications and to assessing competition effects more generally, see the ACCC's guidance on notification waivers and merger assessment guidelines.
