

Questionnaire: Saipem S.p.A - Subsea7 S.A.

MN-01072

Deadline to respond: 4 May 2026

The Australian Competition and Consumer Commission (**ACCC**) is currently assessing Saipem S.p.A's (**Saipem**) proposed merger with Subsea7 S.A. (**Subsea7**) (the **Acquisition**).

For further information about the ACCC's assessment of the Acquisition, see the ACCC's [Acquisitions Register](#).

The ACCC is assessing the impact of the Acquisition on competition and is seeking your views. The ACCC invites you to provide submissions or information in response to the questions below by 4 May 2026 via email to mergers@acc.gov.au with the title *Submission re: Saipem - Subsea7*. The ACCC must complete its assessment within strict statutory timelines which also impacts on the time available for consultation.

If you would prefer to speak to a member of the ACCC case team, please email mergers@acc.gov.au with the title *Request for call re: Saipem -Subsea7*. Someone from the case team will contact you to find a suitable time for a call.

Please note that:

- This request is made in accordance with section 51ABZZD(2)(a) and (c) of the *Competition and Consumer Act 2010* (Cth) (the **Act**). This means that while the ACCC may take into account submissions or information received after the due date, it is not required to do so.
- In responding to the questions below or when providing a submission, please highlight and/or mark any confidential information and indicate why the information is confidential (as brief reasons in footnotes in your response or submission, or in a separate document such as the ACCC's [confidentiality claims template](#)). The standard terms on which the ACCC accepts confidential information are outlined at the end of this document.

Questions

General questions

1. Provide a brief description of your business or organisation, and specify what, if any, commercial relationship(s) your business or organisation has with Saipem and/or Subsea7.

--

2. Provide any additional information or comments that you consider relevant to the ACCC's assessment of the Acquisition, including any views on the effect of the Acquisition on competition in Australia.

Questions for customers or potential customers of Saipem or Subsea7

3. Provide a description of the services you have acquired in APAC since 1 January 2020 in respect of:

- a. Design, engineering, construction, and installation of subsea infrastructure composed of subsea umbilicals, risers, and flowlines (**SURF**)

- b. Inspection, maintenance, repair, and decommissioning of offshore infrastructure (**IRMD**)

- c. Offshore wind projects

4. Describe how closely Saipem and Subsea7 compete in the supply of (a) SURF, (b) IRMD and (c) Offshore Wind projects (e.g. in terms of pricing, availability of vessels, SURF capabilities, etc.), including by reference to any particular services where the removal of Subsea7 as a competitor may have a particular impact on competition and/or your business or organisation.

5. Identify any alternative suppliers of the services described in Question 4 above with operations in the APAC region and/or globally, and describe how closely they compete with Saipem and/or Subsea7's services, including by reference to factors such as capability, quality, price and availability.

6. Please provide the following details in relation to each completed tender you have conducted since 1 January 2020 in the APAC region, using the below table.

Project type (SURF, IRMD or Offshore Wind)	Description of services (e.g. pipelaying method for SURF, maintenance or decommissioning for IRMD, etc.)	Project location	Project value and duration (if not completed, please provide estimate of duration)	Name(s) of tenderer(s) and successful tenderer(s)
<i>[add as many rows as needed]</i>				

7. For each SURF project identified in response to Question 6, briefly outline the features of the successful tender bid(s) that were determinative when awarding the project (e.g. price, certainty of supply, technical expertise etc).

8. Describe the commercial viability of your business or organisation investing in the capability to self-supply SURF, IRMD, or Offshore wind project services and/or sponsoring new entry or expansion into the supply of these services in APAC. Please also outline the circumstances under which you would consider, or have considered, such strategies.

Questions for competitors or potential competitors of Saipem or Subsea7

9. Describe the services your business or organisation supplies that compete with Saipem or Subsea7's services, and specify which of those services your organisation currently supplies in the APAC region.

10. Provide details of the vessels you operate globally which have capability to deliver each of (a) SURF, (b) IRMD and (c) Offshore Wind services, using the below table.

Vessel name	SURF, IRMD, and/or Offshore wind project capability	Service capabilities (e.g. maximum tensioner capacity, pipelaying method(s), IRMD service type, Offshore Wind infrastructure installation type, as appropriate)	List of projects serviced by the vessel since 2020 including location, duration of project and value	Forward schedule of contracted projects up to 2036
<i>[add as many rows as needed]</i>				

11. Provide details of each tender your business or organisation has participated in since 1 January 2020 in the APAC region, using the below table.

Project type (SURF, IRMD or Offshore Wind)	Description of services sought by the customer (including pipelaying method, as appropriate)	Project location	Project value and duration (if not completed, please provide estimate of duration)	Name(s) of other tenderer(s) and successful tenderer(s) (to the extent known)
<i>[add as many rows as needed]</i>				

12. Identify and describe the height of barriers to entry and/or expansion in the supply of (a) SURF, (b) IRMD, and (c) Offshore Wind project services in the APAC region, including by reference to costs (such as capital expenditure and licensing fees), availability of necessary inputs (such as access to onshore infrastructure), timing, and any other factors.

Confidentiality of responses

During the ACCC's assessment of a notified acquisition, the ACCC may receive information that is properly regarded as being confidential, and which is provided to the ACCC in confidence. The ACCC is committed to treating this information responsibly and in accordance with the law. The ACCC understands the importance of confidentiality to parties involved in a notified acquisition, as well as to third parties that provide information to the ACCC.

The standard terms on which the ACCC accepts confidential information are:

- there is no restriction on the internal use, including future use, that the ACCC may make of the confidential information consistent with the ACCC's statutory functions
- confidential information may be disclosed to the ACCC's external advisors and consultants on condition that each such advisor or consultant will be informed of the obligation to treat the information as confidential, and
- the ACCC may disclose the confidential information to other third parties if compelled by law or in accordance with section 155AAA of the Act. This includes disclosures made in the performance of official duties or functions, which include transparency requirements which are part of the merger control regime.

For further information on confidentiality, see the ACCC's [interim merger process guidelines](#).
