

I Squared Capital – oOh!media

MN-75054

Phase 1 Determination

Acquisition may be put into effect

23 September 2026

1. Determination and statement of reasons

Notified acquisition	The I Squared Capital group (I Squared Capital), through its wholly owned special purpose vehicle, OOH BidCo Pty Ltd, proposes to acquire 100% of the fully paid ordinary shares in the capital of oOh!media Limited (oOh!media) by means of a scheme of arrangement (the Acquisition).
Determination	The Australian Competition and Consumer Commission has determined under section 51ABZE(1) of the <i>Competition and Consumer Act 2010</i> (Cth) that the Acquisition may be put into effect.
Parties to the Acquisition	I Squared Capital is a private equity investment firm headquartered in the United States. It is focused primarily on infrastructure investment. oOh!media is listed on the Australian Securities Exchange. oOh!media provides out-of-home advertising services. It supplies advertising space across billboards, airports, retail precincts, rail networks, offices, educational settings and other streetside environments. oOh!media also supplies creative, printing and data analytics services.
Overlap and relationship between the Parties	There is no horizontal overlap between oOh!media and I Squared Capital or any of its connected entities in Australia.
Reasons for determination	When making a determination in Phase 1, the Australian Competition and Consumer Commission (ACCC) undertakes a competition assessment and considers whether it is appropriate for an acquisition to be approved or subject to further assessment in Phase 2 in accordance with section 51ABZJ of the <i>Competition and Consumer Act 2010</i> (Cth) (the Act). In doing so, the ACCC must have regard to the object of the Act and all relevant matters, including the interests of consumers. For more information about the ACCC's approach to considering notified acquisitions, see the ACCC's merger assessment guidelines and interim merger process guidelines. In conducting its competition assessment, the ACCC has considered the information and documents that were submitted with the notification form and information from third parties. The ACCC has determined that the Acquisition may be put into effect as it considers that the Acquisition would be unlikely to have the effect of substantially lessening competition in any market. In reaching its decision, and based on the material before it, the ACCC finds that there is no actual or potential horizontal overlap between oOh!media and I Squared Capital (including its connected entities) in Australia.
Applications for review	A notifying party, or other person who has been allowed to do so by the Australian Competition Tribunal, may apply for review if they are dissatisfied with the determination. Pursuant to section 100C of the Act, applications for review of the determination are to be made to the Australian Competition Tribunal before the end of 14 calendar days after this statement of reasons was included on the ACCC's Acquisitions Register. To confirm whether there has been any application for review, please contact the Australian Competition

	Tribunal.
