In doing so, the ACCC must have regard to the object of the Act and all relevant matters, including the interests of consumers.</p> <p>For more information about the ACCC's approach to considering notified acquisitions, see the ACCC's <a href="#">merger assessment guidelines</a> and <a href="#">interim merger process guidelines</a>.</p> <p>In conducting its competition assessment, the ACCC has considered the information and documents that were submitted with the notification form, market share data from prior matters and publicly available information.</p> <p>The ACCC has determined that the Acquisition may be put into effect as it considers that the Acquisition would be unlikely to have the effect of substantially lessening competition in any market. In reaching its decision, and based on the material before it, the ACCC makes the following findings.</p> <ul style="list-style-type: none"> <li>• Post-acquisition, the merged entity would continue to face competition from multiple alternative suppliers of pest control services in the Gold Coast region, including large national</li> </ul> |
