

Notification Waiver Determination

Alceon – Engage Squared

Acquisition	Bellagio Bidco Pty Ltd (BidCo), an indirect wholly-owned, newly incorporated, subsidiary of Alceon Private Equity Pty Ltd (Alceon), applied for a notification waiver in respect of its proposed acquisition of an equity stake of at least 51% and up to 55% in Engage Squared Pty Ltd (Engage Squared), as described in the transaction documents provided as part of the application (the Acquisition). BidCo will acquire 100% of the issued capital of Engage Squared. BidCo will be a wholly-owned subsidiary of Bellagio MidCo Pty Ltd (MidCo), which will in turn be a wholly-owned subsidiary of Bellagio TopCo Pty Ltd (TopCo). TopCo will initially be owned by Alceon Private Equity Access Fund 1, LP, Alceon Group No.3 Pty Ltd ATF E2 Investor Trust and Alceon Group No.93 Pty Ltd as trustee for Alceon Private Equity Access Trust IA, however, on completion of the Acquisition, those entities will hold at least 51% and up to 55% of the issued capital of TopCo, with the balance held by certain shareholders of Engage Squared (Rollover Vendors).
Determination	The Australian Competition and Consumer Commission has determined under section 51ABV(1)(a) of the <i>Competition and Consumer Act 2010</i> (Cth) that the Acquisition is not required to be notified.
Date of determination	11 September 2026

Parties to the Acquisition	Alceon is an Australian private capital investor that provides equity funding to businesses across Australia and New Zealand. Alceon operates as part of the broader Alceon Group, which invests across private equity, real estate, hybrid capital solutions and publicly listed companies. The target, Engage Squared, is a technology consulting firm and Microsoft partner operating across Australia, New Zealand and Japan. Engage Squared helps organisations improve productivity, collaboration and employee engagement through digital workplace, AI, organisational change, compliance, automation and technology adoption services, with a focus on Microsoft 365, Microsoft Viva and related Microsoft technologies.
Explanation for determination	In making this notification waiver determination, the Australian Competition and Consumer Commission (the ACCC) has considered the information provided with the notification waiver application, and had regard to the factors in section 51ABV(2)(b) of the <i>Competition and Consumer Act 2010</i> (Cth) (the Act). Based on the information provided in the application, the ACCC considers that the Acquisition is unlikely to give rise to any material

	lessening of competition, given there is no horizontal overlap or vertical relationship between Alceon (including its controlled portfolio companies) and Engage Squared in the supply of technology consulting services in Australia. In these circumstances, the ACCC does not consider it necessary to reach a concluded view on the likelihood of the notification thresholds being met. Given that material competition concerns are unlikely to arise, the ACCC has determined that the Acquisition is not required to be notified. The ACCC considers that the determination is consistent with the object of the Act and the interests of consumers in promoting competition. For more information about the ACCC’s approach to considering notification waiver applications and to assessing competition effects more generally, see the ACCC’s guidance on notification waivers and merger assessment guidelines.
