

Coles – supermarket site in Lidcombe, NSW

MN-50019

Phase 1 Determination

Acquisition may be put into effect

1 July 2026

1. Determination and statement of reasons

Notified acquisition	Coles Supermarkets Australia Pty Ltd, a subsidiary of Coles Group Limited (Coles), proposes to acquire a leasehold interest for a Coles supermarket to be constructed within a new mixed-use development at 5 Olympic Drive & 14- 24 Childs Street, Lidcombe NSW (the Target Site) (the Acquisition).
Determination	The Australian Competition and Consumer Commission has determined under section 51ABZE(1) of the <i>Competition and Consumer Act 2010</i> (Cth) that the Acquisition may be put into effect.
Parties to the Acquisition	The acquirer, Coles, is an Australian public company (ASX: COL) that primarily operates: - supermarkets nationwide through its subsidiary, Coles Supermarkets Australia Pty Ltd; and - retail liquor stores nationwide, trading under the Liquorland, Liquorland Warehouse and Liquorland Cellars brands. The lessor, Builtcom Properties 11 Pty Ltd, is an Australian private property development and building company. It is based in Burwood, NSW. The Target Site is in Lidcombe, NSW, approximately 15km west of the Sydney CBD.
Overlap and relationship between the parties	The leasehold interest would be an input to Coles' existing supermarket retailing operations.
Reasons for determination	When making a determination in Phase 1, the Australian Competition and Consumer Commission (ACCC) undertakes a competition assessment and considers whether it is appropriate for an acquisition to be approved or subject to further assessment in Phase 2 in accordance with section 51ABZJ of the <i>Competition and Consumer Act 2010</i> (Cth) (the Act). In doing so, the ACCC must have regard to the object of the Act and all relevant matters, including the interests of consumers. For more information about the ACCC's approach to considering notified acquisitions, see the ACCC's merger assessment guidelines and interim merger process guidelines. In conducting its competition assessment, the ACCC has considered the information and documents that were submitted with the notification form, other information provided by the parties and publicly available sources. The ACCC has determined that the Acquisition may be put into effect as it considers that the Acquisition is unlikely to have the effect of substantially lessening competition in any market. In reaching its decision, and based on the material before it, the ACCC makes the following findings. Pursuant to the Acquisition, Coles proposes to open a new supermarket site in Lidcombe, NSW. Coles does not currently operate within 3km of the Target Site. The closest existing Coles supermarkets are Chullora and Rhodes, which both fall within 5km of the Target Site.

	• The proposed Coles supermarket would face competition from multiple alternative suppliers in the surrounding area including three existing full-line Woolworths supermarkets, a Woolworths Metro, two ALDI stores and several independent supermarkets. • The Target Site is not currently used for grocery retailing.
Applications for review	A notifying party, or other person who has been allowed to do so by the Australian Competition Tribunal, may apply for review if they are dissatisfied with the determination. Pursuant to section 100C of the Act, applications for review of the determination are to be made to the Australian Competition Tribunal before the end of 14 calendar days after this statement of reasons was included on the ACCC's Acquisitions Register. To confirm whether there has been any application for review, please contact the Australian Competition Tribunal.
