23 Sep 2026	**Not approved**	Insurance Australia Group – RAC Insurance

Notes

Decisions count in the quarter they were made; notifications in the quarter they were filed. Waivers reach the ACCC's register only once decided, so they are counted when decided. Phase 1 timing runs from notification to the phase 1 determination, or to the referral for a matter sent to phase 2. All durations are business days, as the statutory clocks count them.

The interactive version of this report is at mergers.fyi/quarterly. Every matter is on mergers.fyi/mergers, with live decision times on mergers.fyi/current-status and longer-run analysis on mergers.fyi/analysis.
