

Herron Todd White – CJA Lee Property Valuers

MN-75036

Phase 1 Determination

Acquisition may be put into effect

15 September 2026

1. Determination and statement of reasons

Notified acquisition	Herron Todd White (Bidco) Pty Ltd (HTW Bidco) proposes to acquire 100% of the shares in CJA Lee Property Pty Ltd (CJA Lee Property) from C McMahon Enterprises Pty Ltd as trustee for the C&N McMahon Family Trust (C McMahon Enterprises) (50%) and T.J. Shaw Pty Ltd as trustee for the T.J. Shaw Family Trust (T.J. Shaw) (50%) (the Acquisition).
Determination	The Australian Competition and Consumer Commission has determined under section 51ABZE(1) of the <i>Competition and Consumer Act 2010</i> (Cth) that the Acquisition may be put into effect.
Parties to the Acquisition	The acquirer, HTW Bidco, is owned by Herron Todd White (Holdings) Pty Ltd (HTW Holdings). HTW Holdings and its fully owned subsidiaries (HTW Group) supply property valuation and property advisory services in Australia. HTW Group primarily supplies residential, commercial and agribusiness property valuation services to Australian authorised deposit-taking institutions. Relevant to the Acquisition, HTW Group supplies these services in Victoria, including in south-east Victoria. HTW Group is majority-owned by funds managed by QPE No. 7 Management Pty Ltd, an entity within the Quadrant Private Equity group (QPE). Apart from HTW Group, QPE is not involved in the supply of property valuation and property advisory services in Australia. The target, CJA Lee Property, is an independent advisory firm that supplies property valuations, property advisory, and energy advisory services in the south-east Victoria area. C McMahon Enterprises and T.J. Shaw are holding companies of CJA Lee Property and, apart from CJA Lee Property, do not operate any other businesses.
Overlap between the Parties	HTW Group and CJA Lee Property (together, the Parties) overlap in the supply of physical property valuation and advisory services in south-east Victoria.
Reasons for determination	When making a determination in Phase 1, the Australian Competition and Consumer Commission (ACCC) undertakes a competition assessment and considers whether it is appropriate for an acquisition to be approved or subject to further assessment in Phase 2 in accordance with section 51ABZJ of the <i>Competition and Consumer Act 2010</i> (Cth) (the Act). In doing so, the ACCC must have regard to the object of the Act and all relevant matters, including the interests of consumers. For more information about the ACCC's approach to considering notified acquisitions, see the ACCC's merger assessment guidelines and interim merger process guidelines. In conducting its competition assessment, the ACCC has considered the information and documents that were submitted with the notification form, information from third parties, and publicly available information. The ACCC has determined that the Acquisition may be put into effect as it considers that the Acquisition would be unlikely to have

	the effect of substantially lessening competition in any market. In reaching its decision, and based on the material before it, the ACCC finds that post-Acquisition, the merged firm would be constrained by many alternative suppliers of physical property valuation services in south-east Victoria.
Applications for review	A notifying party, or other person who has been allowed to do so by the Australian Competition Tribunal, may apply for review if they are dissatisfied with the determination. Pursuant to section 100C of the Act, applications for review of the determination are to be made to the Australian Competition Tribunal before the end of 14 calendar days after this statement of reasons was included on the ACCC's Acquisitions Register. To confirm whether there has been any application for review, please contact the Australian Competition Tribunal.
